

KIWIFRUIT PLANT CERTIFICATION SCHEME

This is to certify

Riversun Nursery Ltd

367 Wharerata Road, Matawhero, Gisborne

This nursery has undergone external audits and monitoring and has met the requirements to sell plants certified under the **Kiwifruit Plant Certification Scheme (KPCS) "Restricted Certification"**.

The Standard applies to the nursery production of all *Actinidia* species within New Zealand. Plants that meet the requirements of the KPCS Standard will be eligible for certification.
